Sir:

The above identified application and the cited prior art, namely U.S. Patent #6,187,456 to Lever, were, at the time the invention of this application was made, subject to an obligation of assignment to the same entity, Milliken & Company. Such an assignment to Milliken & Company has been made by the inventors of both the above-identified application, as well as the '456 patent to Lever (as evidenced by the listing of Milliken & Company as Assignee within said patent).
